Notes:

Case 2:17-cv-00023-SWS Document 12 Filed 02/10/17 Page 2 of 6

as Deputy Harris mentioned that I had stated that "I will punch you in the face" to Deputy Harris I asked Deputy Toohey if he heard me say that and he said he don't remember ever me say that to Deputy Harris.

Notes: Deputy Harris threatened me I feel she is trying to flip it on me if I threatened her How come she did not discipline or give me a violation first now she is saying that after I reported her. I'm not the only one she has done this to I'm sure she is on record here in Park County. There is no resolution in any of the grievances and even some get shredded I feel that before she hold anyone on accountable she can't take accountability to her actions its not fair.

Dunit and advised me that one of my grievance I wrote
on January 11th was missing because she had shredded
the grievance. She stated she did not do it on purpose
I don't know what is going on but I understand grievances
are supposed to be answered not shredded never got an
answer or a chance to appeal this is very unprofessional
and I tired of getting blamed for it thanks for your time

If yes, why do you wish to appeal? Please answer on reverse side.

I don't think it's right the way you got
shredded I understand people make mistakes but
I think this was to cause grief and not take
accountability for ones actions and pass the hot
potato to the one that fits convenient in a sense
that is being a bully, Disrespectful, Careless, and
unprofessional of a sargent in a detention facility
but that's my opinion and perception and I'm entitled
to it. The actions speaks for them selfe with
that said thanks for your time
Much Respect

Mr. Rodriguez,

As you stated above, people make mistakes.
Sergeant Harris did not shred the grievance out of
malice, therefore this is a mute point. Even the
AELU Recognizes "Human Error" and does encourage
inmates to keep grievances for their record in case
something happens in the future that would show a pattern.
Sgt. Harris has Apologized to you and explained that
it was an accident! This grievance is quashed!

Lt. Torcello

Notes: Deputy Harris never a palagize and Why did some boy else anger the
grievance if its adressd to Deputy Harris?
